Pricing and storage

From €0.67 / m / day

Per metre of boat length · VAT included

Boat pictured, 10 m: €200 / month

The daily rate is rounded. The monthly example is a €200 package, rather than the daily rate multiplied by the number of days in the month.

Engine and hull inspection included

The scope and timing of the inspection are agreed when booking storage. Servicing, diagnostics, materials and repairs are agreed separately.

Benefits for longer stays

We offer various benefits for year-round storage or advance payment. Request an individual quotation based on your boat's dimensions and storage period.

Transport, lifting and launching are arranged separately. Cradle availability and conditions of use are confirmed in the quotation.

Services for your boat

Dry boat storage

Outdoor boat storage in a fenced area with video surveillance.

Servicing and preparation

Maintenance of engines and equipment, and preparation for the season, within an agreed scope.

Mechanical and electrical work

Fault repairs, maintenance and work on onboard systems and equipment, quoted separately.

Cleaning and protection

Cleaning, surface care and boat protection tailored to your needs.

Transport, lifting and launching

We arrange boat transport and handling. Pricing depends on dimensions, weight, route and the equipment required.
